

Bamburgh CN Golf Doubles Tournament, Saturday, 15th August 2026

- There are fourteen pairs of players playing in two American blocks (ie. all-play-all within a block). There are seven pairs in each block.
- Block A has no handicap restriction. Block B is subject to a minimum handicap restriction. All games are level play.
- In handicap block B, sum of handicaps of both players must be 8 minimum (though block allocation may be adjusted depending on entries).
- Entries are invited from pairs (ie. pairings will not be allocated on the day).
- Block A winners are presented with the Taylor Plates and Block B winners with the Freda Vitty Plates.
- There are 42 games in total over 7 sessions, with 6 games always happening simultaneously, three from each block.
- Each pair plays six games and sits out for one. Each pair plays every other pair in their block once.
- Period for each game is 40 minutes with a 5 minute changeover between games.
- To avoid delays, a maximum of 5 minutes added time is allowed for any game that is held up by another game on the same lawn.
- Games are double-banked on three full-size lawns (actually 90%). All games start simultaneously with block B starting at corner 2.
- When time is called, the sequence that is in play will be completed (ie. finish on yellow/white ball). The score at that point decides the game.
- Points are scored as 2 for a win, 1 for a tie and 0 for a lose. If one or more pairs have equal points at the finish, hoop scores will decide.
- As players will be sitting out, there are no tea/coffee breaks, only 45 minutes for lunch. Refreshments will be available all day.

Programme		Lawn 1		Lawn 2		Lawn 3		
	Time	Game 1	Game 2	Game 3	Game 4	Game 5	Game 6	No Game
	Arrive 10:00
